- *Company unifies clinical development and empowers better decision making with analytics & AI*

NEW YORK--(BUSINESS WIRE)--Aug. 23, 2018-- In recognition of three record-performing years, Medidata (NASDAQ: MDSO) was selected for Fortune's 100 Fastest-Growing Companies list. Fortune ranked Medidata a top performer in consecutive years.

The annual Fortune list recognizes top three-year performers in revenues, profits, and stock returns. The ranking provides a snapshot of the trends driving the global economy, including the continued dominance of the technology sector.

"Our cloud platform is powering the development of the majority of breakthrough drug therapies on the market today," said Tarek Sherif, chairman and chief executive officer, Medidata. "Our inclusion in this list of high performing companies shows how the life science industry is embracing our unified platform, which closes the loop between clinical and commercial. We're proud of our role helping to bring life saving therapies to patients around the world."

The Intelligent Platform for Life Sciences is leading the digital transformation of life sciences with artificial intelligence and advanced analytics. Medidata is the strategic partner for more than 1,000 customers worldwide and is accelerating the discovery of new therapies for patients in need.
